Safe & Welcoming Environment

As a dual language immersion school with a mission of "whole family education", Four Rivers provides an inclusive family environment for all families. Families are welcome and encouraged to support classroom activities and whole school events. In addition, Four Rivers makes safety a top priority by securing buildings, monitoring campus activities and providing emergency trainings for students and staff.

School Goals

Four Rivers promotes bilingualism and biculturalism for all students through its dual language immersion school. In addition to language and cultural education, Four Rivers strives to provide accessible academic, athletic, and community engagement opportunities for all students. Through academic growth and achievement in two languages, Four Rivers provides a college prep learning environment for enrolled students.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

## About Our School

### Advanced Coursework
As a college prep model, all students have accessible opportunities to take advanced coursework. At 8th grade, students are eligible to take Pre-AP Spanish to prepare for AP Spanish as freshmen. As an Early College Model High School, Four Rivers Sr. Prep students have access to two AP Spanish courses as well as coursework at Treasure Valley Community College (TVCC). Students that demonstrate readiness are eligible to enroll as a TVCC student while attending Four Rivers Sr. Prep.

### Career & Technical Education
At this time, Four Rivers Sr. Prep is focused on Early College and does not have a Career and Technical Education (CTE) Program.

### Extracurricular Activities
- SMILE (Science & Math Investigative Learning Experiences)
- National Honor Society
- Community 101
- Middle and High School Level Athletics
- XC, Soccer, Basketball, Cheer and Tennis

### Parent & Community Engagement
Four Rivers engages parents as partners in education. Partnerships with families and early childhood programs begin in pre-K and build throughout the K-12 program. Opportunities for engagement include: home visits, cultural events, academic family nights, student performances, grade level parent meetings and routine parent communication. Four Rivers engages with the community through celebrations like Veteran's Day and the Community 101 program where students are grant makers to local non-profit agencies.
